

Fort Bend County Toll Road Authority Flagrant Violator List

What is a Flagrant Violator?

A Flagrant Violator is defined as a registered owner of a vehicle which has accumulated unpaid tolls and fees in excess of the threshold amount defined by the Authority.

What enforcement remedies are used for Flagrant Violators?

Flagrant Violator vehicles are prohibited from using the toll roads in Fort Bend County. Flagrant Violator vehicles using Fort Bend County toll roads will be stopped by Law Enforcement. The driver of the vehicle will be ticketed for operating a prohibited vehicle on the toll road, ticketed for Failure to Pay Toll, and charged with Criminal Trespass. The Flagrant Violator's vehicle will be towed and retained by the Authority until all tolls and fees have been paid. Flagrant Violators who do not pay their tolls and fees will have lawsuits filed to collect all tolls and fees listed in the Order of Liability issued by the Administrative Hearing Judge. Liens will be placed on all real and personal property, including any bank accounts.

What to do if you find your name or vehicle on the Flagrant Violator list?

- 1) Contact the Fort Bend County Toll Road Authority's Violation Department at (855) 999-2024, Monday to Friday between 8AM and 5PM, to determine the current amount owed
 - 2) Make arrangements to pay all outstanding tolls and fees
 - 3) Obtain an electronic toll tag from HCTRA (EZTag), TxDOT (TxTag), or NTTA (T-Tag)
 - 4) Do not resume using the toll roads until all tolls and fees have been paid in full and the vehicle has a valid and current electronic tag
